

## **Frontier Ranch Travel Info**

The following information should help you when planning your travel to Frontier.

### **Bus Company Info**

When contacting the bus company, e-mail them this [map to Frontier](#).

If you are having trouble with your current bus company check out [busrates.com](http://busrates.com)

The Information they will need to plan their drive times:

- **Arrival time- 3 – 5 PM on Sunday.** Have them be aware that upon arrival they may have to wait in line for a short time before dropping off the campers and leaders.
- **Departure time- Arrive at 7 PM on Saturday night for an 8-8:30 PM departure.**
- We ask that you call your bus company on Saturday morning to confirm this departure plan. Let them know that they will be stopped at the top of the hill and directed down by camp staff.
- The bus company will need to provide an emergency number for us to contact if we need to evacuate camp. We will request this at the welcome from the bus driver. Please discuss this in advance with your bus company.

### **Charter Bus**

If you are flying into Colorado and need to charter a bus to get to Frontier Ranch, we use Arrow Stage Lines.

Arrow Stage Lines  
303.373.9119 ask for Lynn Marinkovic  
[www.arrowstagelines.com](http://www.arrowstagelines.com)

### **Personal Vehicles**

- Review the [Young Life driver policy](#). ALL drivers must be qualified through YL to drive in all situations.
- By YL policy no drivers may get behind the wheel without at least 8 hours of uninterrupted sleep. If you have this situation be sure you talk with a head leader about a quiet place where leaders could get this rest.

- Our suggestion is that groups driving leave early Sunday morning to begin their drive home. If you need to stay overnight, please contact us.

### **Campers Coming Late or Leaving Early**

- There is currently no reliable or cost affordable shuttle service that gets campers or leaders to and from Frontier during the week. Please consider this if you are signing kids up for camp. If you are in this situation, please call, and we will help you walk through the limited options.
- For those campers leaving early we will need to have the Permission to Leave Early Form (YL-1853) filled out and signed by a parent for us to release custody to whoever is picking them up. This form should be turned in at welcome. If a parent is picking a camper up on the last night of camp this form is also needed. If campers are leaving with anyone other than you...we need the form!

### **Saturday Overnight Stay Information**

- Camp ends Saturday night at 8 PM. We allow small groups to stay over Saturday night at no additional cost on weeks that are not changeover weeks.
- Please let us know if you would like to arrange to stay overnight and we will talk through the details and send you a contract to sign.
